Das Duserlebnis durch zugeführtes Luft und vitales Wasser spart bis zu 30 % Wasser.

Since 1999, we have continued to develop our entire manufacturing line: Product Research and Design, Tool- and Moldmaking, Casting, CNC-Machining, Forging, Die Casting, Stamping, Bending, Welding, Polishing, Testing and uncompromising Quality Control System according to International Specifications. Managed by ISO 9001 and modern industrial management systems, we offer to different markets specific standards. Our production follows strict quality criteria and customer requirements. We not only meet most of the European market standards, but also Watermark, ACS, CUPC, NSF and the ACS certification.

Seit der Gründung im Jahr 1999 entwickelten wir unseren gesamten Prozess der Fertigungslinie weiter: Produktforschung und Design, Werkzeug- und Formenbau, Gießen, CNC-Bearbeitung, Schmieden, Druckguss, Stanzen, Biegen, Schweißen, Polieren, Prüfen und kompromisslose Qualitätskontroll-System nach internationalen Vorgaben. Basierend auf ISO 9001 und modernen industriellen Managementsystemen bieten wir verschiedenen Märkten unterschiedliche Standards an. Unsere Produktion folgt strengen Qualitätskriterien und Kundenanforderungen.

Wir erfüllen nicht nur die meisten europäischen Marktstandards, sondern auch die Watermark, ACS, CUPC, NSF und die ACS Zertifizierung.
